

Sending a Cylinder Head

When sending a cylinder head to *Powerflow Heads* please ensure:

- ✓ ***Please do not disassemble or clean Cylinder Head***
- ✓ ***Leave inlet manifold and exhaust manifold bolted***
- ✓ ***Cams and Caps to be left in head for flow testing head design***
- ✓ ***Wrap head in 3 inches of bubble wrap and send in cardboard box strapped up well***
- ✓ ***Full contact details and return address inside the box so work can commence***
- ✓ ***Average time to process is 5 working days***

**Thank you for choosing *Powerflow Heads*
The ultimate upgrade on your motor**

You will have the best Cylinder Head technology available

**Adam Layton
